about Opioids

A Guide for New Mexicans Seeking Treatment Health

Anti-Craving Medication Helps Someone:

Stay Alive

Stop the Cravings

Stay in Treatment

Obey the law

Get & Keep a Job

Be part of a family and community

Wherever you live, Treatment is Available NOW

- Go to DoseOfReality.com/MAT to Find a Treatment Provider Close To You
- At the map type in your city, town, or county to find treatment help near you.
- You can also adjust how far you are able to travel.
- There is home Phone and Video help if treatment is not near you or there is a waiting list.
- You won't be turned away.

Opioid addiction is NOT a moral failing.

Blaming, shaming, ignoring and rejecting someone will not change the opioid cycle, but medication and support will.

Treatment is possible with medication combined with behavioral health support like therapy and counseling. Find Treatment Now. Visit DoseOfReality.com/MAT

We are not our disease

We have a name.

We have a personality.

We have a history. We have a story to tell.

We come from families and communities.

Let's Break the Cycle of Opioid Addiction TOGETHER

The [Dose of Reality](#) Treatment Works campaign is a joint effort of the [New Mexico Behavioral Health Services Division](#) and the [New Mexico Opioid Hub](#) to address the opioid crisis by expanding treatment access and reducing opioid overdose-related deaths

Prevention Works.
Treatment is Effective.
Recovery is Possible.
